

## From the Principal's Desk

Dear Parents/Caregivers

The end of Term 1 is here already and as ever, we end it with an action-packed few days!

It was great to see some of our students do so well at the Southland Junior Athletics on Saturday. Unfortunately I arrived too late to see the field events but there was some serious competition in the races. I did get updates on the field events from Miss Dickson and Miss Quinn who spent all day there cheering our students on. Well done to all who competed and, in particular, those who placed within the top three of their events.

On Tuesday we had our first 'student led' conference of the year. Students across the school have been very busy over the last couple of weeks preparing for these conferences. They have been putting together examples of the work they have done so far this year as well as thinking about targets/goals that they need to set themselves for future improvement. The response to all this hard work was fantastic! We had more parents come to the conferences than normally come to a parent-teacher evening. The students engaged in the process and they stepped up to the mark in taking responsibility for their actions when required. Parents went away from the conferences knowing where their son-daughter is at academically, and where they should aim to be, ie. what next steps to take.

Can I take this opportunity therefore to thank **ALL** of those parents and students who came in and all the staff involved. Thank you too to the parents who have already made appointments for early next term because they couldn't make it on Tuesday night. Your child and teacher very much appreciate the time you gave up to come into school. The results will only be positive.

Later in Term 3 we will do the second conference which students will prepare and lead. Looking forward to the results!

The last day of the term will see some fun and frolics around school. As part of our developing a Positive Behaviour for Learning ethos in the school, we have had a real focus on both the negative and positive behaviour around the school. There will be Easter prizes for those students who have been awarded the most 'Gotchyas'. There has also been a competition between the Houses in the Senior school to see which can get the **least** number of blue slips (which record negative behaviour). The winning House got to choose what they

wanted to do today and they opted for surfing! So ... Rowallan are heading down to the beach!

We endeavour to deal with any issues of bullying or persistent poor behaviour in school – but in order to be able to deal with it, we do need to know about it! Please contact the school if your son/daughter is aware of an issue that needs dealing with. We have had a couple of incidents happening in the school; the students have been dealt with and are currently facing the consequences of their actions.

I wish you all a happy and restful Easter –with lots of chocolate!

*Ms Elizabeth Hannah, Principal*

**CONGRATULATIONS TO ANOTHER OF OUR EX-STUDENTS:**

**MITCHELL SMITH**

Mitchell has been studying towards a Diploma of Engineering for the past few years and with his hard work, has managed to obtain his Diploma this year. As a school we would like to congratulate Mitchell for his hard work and determination.

**Here is Mitchell's experience:**  
 After finishing school in 2010, Mitchell took the following year as a 'gap year' where he was able to work and save money as well as be sure that a career in engineering was truly what he wanted to do.

The following year Mitchell enrolled in Polytech and started on his journey towards his Diploma of Engineering. Mitchell at this time was looking for employment but found it difficult with the hours and days he was studying at Polytech. It also became a time of developing independence as Mitchell went flatting with a friend and moved in with some others. He found this experience very expensive.

Mitchell spent two years studying but unfortunately missed a paper in his second year. He then had to pick up the paper he missed in a third year course and filled the rest of his studies with supporting papers. Mitchell managed to pick up a job during his days off and spent his holidays working for his family.

On reflection Mitchell wished that he had focused on his studies at school and worked harder to gain better grades. Mitchell has successfully gained a job at Invercargill Engineering.

**NEXT PTA MEETING**  
**Monday 20 April – 7pm -**  
**School Library**  
**All Welcome.**

**From Our Teachers**

**ART TRIP TO THE MUSEUM**

On Friday 27 March Room 1 went on an art trip to the Southland Museum in Invercargill. The trip was part of our visual arts unit on drawing portraits.

Koreena Wilks, the educator there, took the children for a three hour workshop where they drew and coloured in their own self-portraits. The children had an amazing time and the finished portraits looked amazing. Well done Room 1!

*Mrs Gemma Bennett, Room 1*

**OTAGO/SOUTHLAND SECONDARY ATHLETICS CHAMPS**

On Saturday 21 March, Ben Egerton competed in the Otago/Southland Secondary School Athletics Championship at Surrey Park Stadium, Invercargill. Competing alongside the best athletes from across the two provinces, Ben threw the Javelin a Personal Best distance of 27.97m, which secured a 2<sup>nd</sup> place finish and earned him qualification to the South Island Championships! Well done Ben, what an amazing achievement!

*Mr Richard Bennett, HOD PE/Health*

## SOUTHLAND PRIMARY ATHLETICS CHAMPS

Miss Quinn and I set off for town on Saturday 28 March for Southland Primary Athletics Champs. Peter Devery (100m, 60m), Tanei Tamou (100m, 200m, relay), Holly Hammond (100, 200m, discus), Bruin Roe (Long Jump), Oliver Hutchby (100m, High Jump) and Flynn McCallum (100m, High Jump) all qualified for Southland.

The athletes that went to Invercargill and competed made us proud. Bruin Roe achieved 7th place in the 12 year old boys long jump, jumping 3.88m, Tanei Tamou achieved 7th in the 10 year old boys relay, Peter Devery achieved 15th equal in the 8 year old boys 100m with 17.32sec, Oliver Hutchby achieved an impressive 2nd place in the 12 year old boys high jump with a jump of 1.35m and 18th in his 100m with 15.24sec, and Flynn McCallum achieved a fantastic 2nd equal in the 11 year old boys high jump, jumping 1.25m.

A huge Congratulations to these athletes who achieved so well and are in the top of their ages in Southland. This is a huge success.

Miss Jaime Dickson

## THREE-WAY CONFERENCING

I was really pleased to see so many parents at the three-way conferences that we had on Tuesday evening at school. Here are a few comments made by some Room 3 students.

"I think that it was better than last year when it was just the parents and the teachers talking, instead of this year when the students were there too, to show and tell the parents." by Hana.

"The parents were really pleased with the children's work." by Logan.

"It was cool because the parents could actually see the work the children had been doing." by Malakai.

"They were good because I did good." by Jay.

Miss Jaime Dickson, Rm 3
